Why choose SIKATECH ?

SIKATECH is part of a group of companies that owns SIKABAT, one of Cameroon's flagship construction companies, and LES COCOTIERS hotel complex in Kribi, among others. This major advantage enables SIKATECH to guarantee its trainees with academic internships, not only within the SIKABAT group, but also in its network of partner companies in Cameroon and abroad.

1. Personalised follow-up based on your initial background and training needs
2. A highly accessible, safe and pleasant study environment (opposite Government Primary School Bastos)
3. Premises and teaching materials in-line with international standards
4. Support in formulating and implementing your career plans
5. Theoretical and practical training, backed-up by ethical values, to make you directly operational on the job market
6. Courses taught by renowned lecturers and experts selected through a rigorous selection process
